

## **Small businesses can take Small Steps toward employee wellness!**

A focus on wellness is good for all businesses, big and small, and even small businesses can afford and take advantage of wellness services! That's why Owensboro Health is partnering with the Greater Owensboro Chamber of Commerce to present Small Steps to Wellness, a free health fair with a focus on connecting small businesses to wellness services.

Small Steps to Wellness will take place from 8:30 to 11 a.m. on Thursday, July 6, 2017 at the Owensboro Convention Center. The event will take place immediately following the July Rooster Booster Breakfast event. The event is free and open to the public, with an emphasis on health-related services and options that can assist small businesses and their employees.

The event will include, but are not limited to:

- Health screenings (offered by Owensboro Health to all chamber member businesses)
- Short educational presentations
- Experts and informational materials

Small businesses are an essential part of our community and we want to help you and your employees stay healthy and happy!

For more information, call the Greater Owensboro Chamber of Commerce at 270-926-1860.
